In this workshop you will create three paintings, each using a different pour paint technique. I will bring specialty paint and a special prepped canvas for you. Wear old clothes and old shoes, this is a very messy technique.

Supplies for participants to bring

(Michael's)

Artist Loft Flow Acrylic 8 oz White.

2 Artist Loft Flow Acrylic 8 oz in two colors you love.

Liquitex Pouring Medium 8 or 16 oz or Golden GAC 800 16oz.

2 acrylic primed (already gesso) canvas 16x20.

Gloves, Rags, Paper Towels, Water container.

8 empty yogurt cups (or similar) if you have them.

3 box lids or trays big enough to put your paintings in to take home. The paint continues to move so this is very important.
