

GET SOME PERSPECTIVE! Supply List Instructor – Jennifer Fisher

Students will learn to construct perspective drawings using pencil, paper and some basic drawing tools. These items will be required at the start of class:

- Pencils - 2H pencil or any light pencil that can be easily erased
- Small pencil sharpener
- White vinyl eraser
- 12" plastic clear ruler, inches
- Tape (masking or drafting)
- Scrap paper for sketching ideas
- Ink drawing pens, black, waterproof, varying sizes, .01,.03,.05,.08 (Micron or similar)
- 10" or 12" clear (or smoke tint) plastic drafting triangle, preferably with ink edge, size 30/60 or 45/45/90 degree (Amazon or art store)
- T square straight edge, 12", metal (Amazon or art store)
- 6" Aluminum Architect Pocket Scale or plastic Staedtler Mars 12" Architect triangular Scale, (Amazon, Staples/Office Store, art store)
- 8" x 10" or 8 1/2" X 11" size paper that will compliment medium of choice as noted in course description (pencil, watercolor, marker)
Students can experiment with different mediums and papers for each project.
- Medium of choice:
Students will complete their drawings in either colored pencil, marker, watercolor or a combination of all or any.
- 10" x 12" magazine or book to work on. Must be at least 1/2" thick with flush edges and must be able to be temporarily adhered to table/desk. This will be your drawing board. If you already have a 5/8" thick drawing board with a metal edge, please use but it's not necessary to purchase a new one. 10" X 12" is the minimum size, can be bigger.

Suggested Supplies:

- 12" roll of white trace (Amazon, Staples/Office Store, art store)
