

Marvelous Marine Life Supply List

LaFogg Pastel Workshop

Single edged Razor Blades

Board to tape paper to (Gator Board or Masonite larger than 11x14)

Regular or Black Masking tape

Paper: I like to use 400 UArt paper, something that has a nice gritty texture. I will be painting something sea turtle related, so my palate will consist of earth and or ocean colors.

Plastic easer

Fan paint brush ½" wide

Bounty Paper Towels

Rubbing alcohol and a small container to pour it into.

Bristle paint brush (Not a soft bush) ¼" wide don't bring your best (for your under painting).

Pastels:

Any Soft pastels you may have. Please no Oil pastels. Or you can purchase a 12 or 24 count set of Conte, Derwent or Stabilo Carb Othello Pastel Pencils. And any hard-pastel collection please bring them.

If you have any questions please contact the artist, deb@lafogg.com.

Please NO oil pastels.

Pointers for picking the right photo:

(Close ups are great). Please look at your photos closely. Ask yourself is the photo well lite? What makes you want to paint it?

Go through your reference pictures....

Please look at your photos closely. Ask yourself, what is the focal point, is the photo well lite? What makes you want to paint it?
