In this workshop you will create three paintings, each using a different pour paint technique. I will bring specialty paints, all mediums, and one special prepped canvas for you. Wear old clothes and old shoes, this is a very messy technique.

**Supplies for participants to bring**

(Michael’s)
2 acrylic primed (already gesso) canvas 16x20.
Gloves, Rags, Paper Towels, Water container.
8 empty yogurt cups (or similar) if you have them.
3 box lids or trays big enough to put your paintings in to take home. The paint continues to move so this is very important.
